Review & Ranking Criteria

For

Continuum of Care Applications

Review & Ranking Committee Policies & Procedures:

The Review and Ranking Subcommittee is made up of individuals who are involved in the Continuum of Care but are not individual project applicants. The Review and Ranking Subcommittee represents a range of governmental, housing and homeless advocacy groups and social service providers who participate in the Continuum of Care. The role of the Review and Ranking Subcommittee is to review Continuum of Care Applications, determine if there is a need for each project and offer recommendations for improving the projects.

The Review & Ranking Committee meets on a quarterly basis.

All eligible new and renewal applications will be reviewed and ranked by the Akron/Barberton/Summit County Continuum of Care review and Ranking Committee. After the review process is complete, the committee then ranks, from highest to lowest, all projects into two tiers: Tier 1 and Tier 2. Ranking is completed using the CoC approved scoring tool. All projects within Tier 1 shall be funded while projects in Tier 2 shall be funded in order of performance (highest to lowest), based on the amount of funding that is awarded by HUD. Funding is not guaranteed for Tier 2 projects. After final review, applications are ranked and presented to the Continuum of Care Community Committee for final approval. Emphasis will be placed on permanent supportive housing and sub-populations served. If approved, the application will be submitted to HUD for funding under the continuum of Care NOFA.

Scores for each application cycle will be based on HUD’s FY 2015 NOFA and the 2015 Akron/Barberton/Summit County Continuum of Care Review and Ranking Criteria of Renewal and New Applications.

The scoring tool is used by the Review & Ranking Committee was developed using HUD guidelines for performance ranking and were approved by the Continuum of Care steering Committee and CoC Review and Ranking Committee The Review & Ranking committee will use the scoring tool to assess the performance of the 2015 new and renewal projects based on the following performance measures:
